BILAWAL HUSSAIN

Full-Stack Software Engineer | ASP.NET Core • C# • Angular • Umbraco CMS • SQL

Lahore, Pakistan | +92 315 9302120 | bilawalali21222@gmail.com | LinkedIn | Freelance Portfolio

PROFESSIONAL SUMMARY

Full-Stack Software Engineer with 3+ years of experience delivering robust web applications, custom RESTful APIs, and content-managed platforms using ASP.NET Core, C#, Angular, Umbraco CMS, PostgreSQL, and SQL Server. Proven track record turning complex business workflows into production software, building client-facing web portals, and implementing high-availability databases. Recognized for reliable on-time execution, clean modular architecture, and end-to-end technical ownership across frontend, backend, and CMS integrations.

TECHNICAL SKILLS

Languages:	C#, TypeScript, JavaScript, SQL, HTML5, CSS3
Backend & CMS:	ASP.NET Core, C#, Umbraco CMS, RESTful APIs, Razor Pages, LINQ, EF Core, ADO.NET, JWT
Frontend & UI:	Angular, Responsive Web Design, Bootstrap, jQuery, AJAX, Charting Libraries
Databases:	SQL Server, PostgreSQL, Star Schema Design, Query Optimization
Architecture & Tools:	Clean Architecture, Microservices, RabbitMQ, Docker, Git, CI/CD, Google OAuth

PROFESSIONAL EXPERIENCE

Software Engineer (.NET & Angular) | **NKU Technologies** **Jul 2025 – Present | Lahore, Pakistan**

- Architected and developed backend services and RESTful APIs for O3Sigma and Mesonex MES using ASP.NET Core and C#.
- Engineered Angular frontend modules, integrated REST APIs, and delivered high-performance user interfaces.
- Designed and optimized PostgreSQL/SQL Server databases, complex queries, functions, and data migration pipelines.
- Implemented microservices communication using API Gateway, RabbitMQ, Docker, and distributed event messaging.
- Delivered core MES workflows: production planning, machine/product config, loss tracking, OEE analytics, and palletization.
- Built a high-performance Procurement data warehouse for TrueBook ERP using star schema and RabbitMQ streaming.
- Owned Honest Abe Roofing platform end-to-end: sales quoting, ROI calculator, repair wizard, e-sign, and CRM integrations.

  Technologies: ASP.NET Core, C#, Angular, PostgreSQL, SQL Server, RabbitMQ, Docker, Microservices

ASP.NET Core & CMS Developer | **Evonicsoft** **Oct 2023 – Jun 2025 | Lahore, Pakistan**

- Engineered and deployed client-facing web platforms using Umbraco CMS, ASP.NET Core, and C#.
- Built custom CMS architectures, document types, and dynamic templates enabling clients to manage complete website content independently.
- Developed custom booking engines, dynamic pricing modules, and interactive feature showcases (Deskmates coworking, Arenalads gaming, Digitly marketing).
- Implemented custom Umbraco controllers, API endpoints, and third-party integrations tailored to client specifications.
- Diagnosed and resolved critical frontend and backend issues across staging and production to guarantee 100% uptime.

  Technologies: ASP.NET Core, C#, Umbraco CMS, .NET, SQL Server, JavaScript, HTML5/CSS3

KEY PROJECTS & CLIENT DELIVERABLES

Digitly — Social Media & Marketing Agency Platform *Umbraco CMS & .NET*

- Built a high-converting agency website for Digitly with dynamic content management powered by Umbraco CMS.
- Developed modular CMS blocks for marketing campaigns, case studies, service offerings, client testimonials, and lead-gen forms.
- Optimized frontend responsiveness and performance, enabling the agency team to update content seamlessly without developer assistance.

  Tech & Role: ASP.NET Core, C#, Umbraco CMS, JavaScript, CSS3. Full-Stack Developer.

Arenalads — Gaming & Esports Platform *Umbraco CMS & .NET*

- Developed an esports and gaming community platform where tournament schedules, gaming rosters, and news are managed via Umbraco CMS.
- Implemented custom Umbraco document types, dynamic media galleries, and interactive tournament detail pages.
- Integrated fast responsive UI with cached CMS delivery to handle high traffic spikes during esports events.

  Tech & Role: ASP.NET Core, Umbraco CMS, C#, jQuery, Responsive Web Design. Full-Stack Developer.

Deskmates — Coworking Space & Booking Platform *Umbraco CMS & .NET*

- Engineered a coworking space platform showcasing workspace categories, amenities (high-speed Wi-Fi, lighting, ergonomic chairs), and hourly/daily rates.
- Built dynamic booking workflows allowing users to reserve specific spaces for chosen time slots or multi-day passes.
- Empowered space managers to update amenity pricing, room availability, and space descriptions directly through Umbraco CMS.

  Tech & Role: ASP.NET Core, Umbraco CMS, C#, SQL Server, Booking Logic. Full-Stack Developer.

Honest Abe Roofing — Sales Quoting & Job Management Platform *ASP.NET Core & CRM APIs*

- End-to-end sales workflow: live location check-in, 16-question inspection, repair material suggestion, replacement wizard, and ROI pricing.
- Integrated CRM APIs for jobs and customer records, e-signature, financing options, and automated office handoff to production.

  Tech & Role: ASP.NET Core Razor Pages, CRM APIs, Google OAuth. End-to-End Ownership.

O3Sigma & Mesonex — Enterprise Manufacturing Execution Systems (MES) *.NET Core & Angular*

- Developed .NET Core RESTful APIs and Angular dashboards for real-time OEE analytics, machine data processing (OPC), downtime, and waste calculation.
- Implemented palletization workflows (barcoding, lot packing), checklist audits, and order progress tracking across multi-plant environments.

  Tech & Role: ASP.NET Core, Angular, PostgreSQL, SQL Server, RabbitMQ, Docker. API & Frontend Dev.

TrueBook ERP — Procurement Data Warehouse *SQL Server & RabbitMQ*

- Designed and populated a star schema procurement data warehouse (PR, PO, GRN, quotations) via RabbitMQ streaming and ETL jobs.

  Tech & Role: SQL Server, RabbitMQ, ETL, Star Schema. Data Warehouse & ETL Developer.

EDUCATION

BS Computer Science | Gomal University (Govt. College No.1, Dera Ismail Khan) **2019 – 2023**

Intermediate in Computer Science (ICS) | Govt. College No.1, Dera Ismail Khan **2017 – 2019**

Matriculation | Govt. Higher Secondary School No.2, Dera Ismail Khan **2015 – 2017**
